Dear Ms. Clemons and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 5 to the Rural non-Metropolitan Planning Organization area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity in the amount of \$8.9 million that relies on the State's federal programming capacity. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification #5 modifies the programming of the following existing grouped project listings in the 2017 FSTIP:

Various Counties:

Proj #1: CTIPS ID 230-0000-0065, Grouped Project Listing for Bridge Rehabilitation and Reconstruction – State Highway Operation and Protection Program (SHOPP) Bridge Program – reduces the total funding by \$5.6 million in various fiscal years (FY) and revises the detailed backup listing of projects.

Proj #2: CTIPS ID 230-0000-0066, Grouped Project Listing for Safety Improvement – SHOPP Collision Reduction Program – increases the total funding by \$7.2 million in various FYs and revises the detailed backup listing of projects.

Proj #3: CTIPS ID 230-0000-0069, Grouped Project Listing Pavement and Resurfacing/Rehabilitation – SHOPP Roadway Preservation – increases the total funding by \$7.7 million in various FYs and revises the detailed backup listing of projects.

Proj #3: CTIPS ID 230-0000-0288, Grouped Projects for Bike/Ped Facilities - Non Attainment Areas – delete one project in Calaveras County, reduces the total funding by \$406,000 in FY 16/17 and revises the detailed backup listing of projects.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2017 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

Handwritten signature in cursive script that reads "Dennis Jacobs For".
